Interactions

- Initial Contact: Met Ken at a networking event on the beach.
- Follow-Up: Expressed interest in financial planning and potential financing options for purchasing an airplane.
- Assigned to: Allen, an underwriter specializing in HNW clients, introduced by Ken for detailed financial assessment and loan application process.

Notes

- Barbie is a serial entrepreneur with a strong track record of successful business ventures.
- She uses trust and LLC structures for estate planning, indicating a sophisticated understanding of financial planning and asset protection.
- Expressed a keen interest in exploring financing options that align with her financial structure and goals, specifically for purchasing an airplane and additional liquidity through a securities based line of credit.
- Barbie has a connection to a couple of tech companies that are current commercial clients of the bank, indicating potential cross-selling opportunities for commercial and personal banking services.

Opportunities

- Airplane Financing: High potential for custom financing solution.

- Securities Based Line of Credit: Leverage her restricted shares in Mattel for extra liquidity.
- Wealth Management Services: Comprehensive financial planning, investment management, and estate planning services tailored to her needs and net worth
- Mortgage Refinance: Interest in refinancing the existing \$6MM mortgage on the Barbie Dream House, potentially lowering interest rates and monthly payments.
- Deposits: Seeking competitive rates for deposit accounts for both personal and business assets.

Action Items

- Ken: Schedule a follow-up meeting to discuss Barbie's financial planning needs in more detail.
- Allen: Begin preliminary assessment for the airplane loan application process.
- Commercial Team: Explore opportunities for deeper engagement with the tech companies Barbie is associated with.
